

# The Ottawa Hospital Overview 2015-2016

The Ottawa Hospital | L'Hôpital d'Ottawa

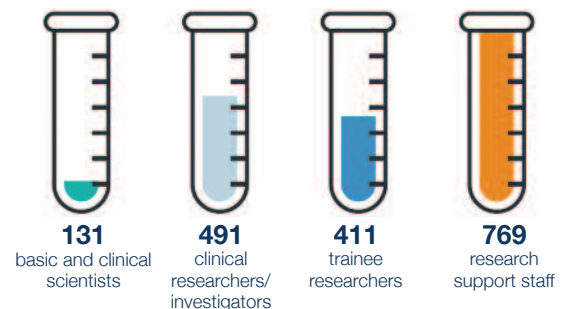

Inspired by research.  
Driven by compassion.

The Ottawa Hospital touches the lives of thousands of people every day and from every corner of our region. As one of the largest learning and research hospitals in Canada, it specializes in acute care for adults, and innovative, practice-changing research. As Eastern Ontario's only trauma centre and the hub of cancer care, The Ottawa Hospital provides the best care to the sickest patients and to those with the most complex health-care issues.

**\$1.3 billion** = impact on Ottawa economy due to our research since 2001

**1,802 researchers**

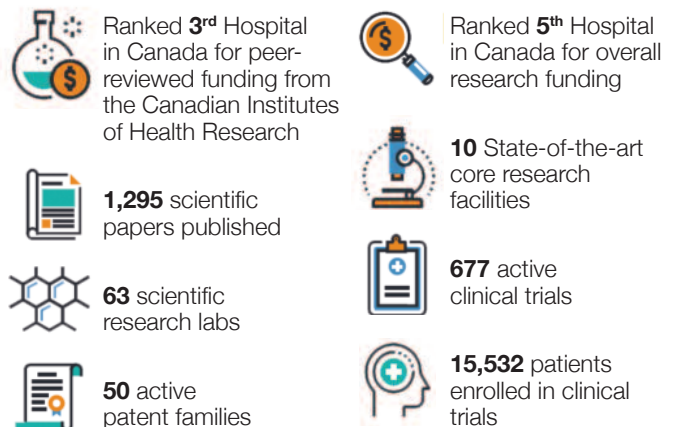

## Research at The Ottawa Hospital

The research staff at The Ottawa Hospital is investigating every major disease and condition, and making groundbreaking discoveries in the laboratory. One of our unique strengths is the ability to translate discoveries into new therapies and test them in clinical trials. Our research is providing hope for patients... and the world is watching.

**TOH leverages up to \$10 in external funding for every \$1 donated**

The prestigious *New England Journal of Medicine* published its list of the top 12 research studies that had the biggest influence on medicine in 2015. Two of these 12 were from The Ottawa Hospital.

## Cancer Care at The Ottawa Hospital

The Ottawa Hospital Cancer Centre is the only cancer care centre in the region that delivers all aspects of treatment options. More than 80 percent of all cancer-related surgeries in our region take place at our hospital. The hospital also offers chemotherapy to patients at satellite locations, providing critical care conveniently close to their home.

These sites are located in the Irving Greenberg Family Cancer Centre at the Queensway Carleton Hospital, Winchester District Memorial Hospital, Renfrew Victoria Hospital, and the Hawkesbury and District General Hospital.

## The Ottawa Hospital Foundation

The Ottawa Hospital Foundation works to inspire and enable our community to support improvements in patient care, groundbreaking research and state-of-the-art equipment at The Ottawa Hospital. We consider ourselves privileged partners with a community that holds the health of its citizens in high importance.

### Donor funded projects:

18%		Cancer care and cancer research
8%		Regenerative medicine research
11%		Breast Health Centre
8%		Hospital departments and equipment
