

PRESIDENT'S BREAKFAST

"Each of us individually, and together as a community, have the power to define what health care will look like in Ottawa in the coming decades."

Dr. Jack Kitts, President and CEO, The Ottawa Hospital

**NANCY OAKES, VICE PRESIDENT,
LEE HECHT HARRISON KNIGHTSBRIDGE**

"For years I have been so grateful to The Ottawa Hospital for the care it provided to my family. The compassion and dedication of the staff during our most difficult times was heartwarming. Being a part of the President's Breakfast is a way I can make a difference and say thank you. There is nothing more rewarding for me than knowing I'm helping The Ottawa Hospital continue to provide exceptional care to its patients."

"My role as the co-chair of the President's Breakfast is one that I take great pride in. I believe we all have the ability to make a difference and this is a way for me to do just that. We should not shy away from talking about what a tremendous asset The Ottawa hospital is to our community. It is an honour for me to co-chair the 16th edition of this Breakfast."
