THE GOLF QUEST 4 CLINICAL TRIALS

THE \$10 MILLION GOLF EXPERIENCE

**Re: Partnership Opportunity
Third Annual Golf Quest 4 Clinical Trials**

As a member of the organizing committee, it is with great pleasure that I invite you to attend the third annual **Golf Quest 4 Clinical Trials** in support of The Ottawa Hospital on Tuesday, **June 18, 2019** at the **Canadian Golf and Country Club**.

Over the past 2 years the tournament has raised \$3.1M (30% of our goal) and this year we hope to continue the success towards a **ten year commitment to raise \$10 Million for Clinical Trial research**. Clinical trials help enhance current treatments, develop new drugs, and compare various treatment options to identify which is most efficient. They are crucial to the progression of health care and even more important, they provide hope to patients for whom standard treatment options are no longer effective. Researchers at The Ottawa Hospital are leaders when it comes to recruiting patients to participate in clinical trials — giving them immediate hope.

In addition to enjoying a round of golf among friends, your involvement will help support The Ottawa Hospital's clinical trials. **The Golf Quest 4 Clinical Trials** has been designed to be a premiere fundraising golf tournament and charity auction **where every dollar raised from the tournament will be leveraged with ten matching dollars** from various levels of government, granting agencies and corporate partners!

This is an unprecedented leverage that will enable us to hopefully raise \$1.5M this year.

This year's event will bring together local business professionals, entrepreneurs and successful individuals with the capacity and desire to support The Ottawa Hospital, and offers numerous opportunities for partners to actively participate in the event. Partners will benefit from an affiliation with the top grossing single-day golf tournament supporting medical research through clinical trials in Canada.

What sets this tournament apart from other events?

- **Unprecedented 10:1 Matching Dollars** enables participants to leverage their contributions
- Organizing committee with **track record of raising over \$20M in the past 20 years**
- Extensive media coverage to raise the event's profile
- **Recognizable personalities and celebrity hosts on golf holes throughout the tournament**
- **Great Registration gift package** – each golfer gets to choose between 3 gift packages, each worth over \$450 in value, along with and a dozen Callaway golf balls
- **Food stations on the course sponsored by great Ottawa restaurants.**
- Lunch, cocktail reception, dinner, wine and on course beverages all included
- **All-inclusive passport** for the On course activities, contests and prizes
- **Great prizes and giveaways with amazing Live auction, Silent auction and Raffle prizes including trips, jewelry and merchandise**

Attached is a list of partner packages that outlines numerous levels of participation and related benefits which will ensure your company receives recognition and acknowledgment of your support. (Importantly, it can be further customized to meet your specific marketing needs.) We offer four key ways for corporations to get involved: **sponsorship, gifts-in-kind, corporate foursomes, and donations**. I am certain you will be able to find one that is suitable to your preferred level of involvement.

Thank you for taking the time to review this brochure and giving consideration to your participation. With only 200 spots available we expect this tournament to sell out quickly.

Yours truly,

Members of the Organizing Committee

The Golf Quest 4 Clinical Trials – deemed the “most fun” tournament of the season!

REGISTRATION GIFT OPTIONS

OPTION 1

Callaway Rogue Hybrid

Golf Digest 2019 Hot List Gold Medal Winner! The synergy of Jailbreak and Face Cup technology makes this our most powerful hybrid ever.

Jailbreak Technology

Callaway R&D has successfully installed our groundbreaking Jailbreak Technology in a hybrid for the first time, with two steel Jailbreak bars that stiffen the body, placing more impact load on the face to promote ball speed and distance.

Internal Standing Wave

Our proprietary Internal Standing Wave allows us to precisely locate the CG with tremendous precision. The Internal Standing Wave positions the CG lower and forward to promote easy launch.

OPTION 2

Ogio Mutant Travel Cover

An unnatural awesome creation of monstrous proportion, the OGIO Mutant Travel Bag is the alpha male of all golf travel bags. Known to swallow golf bags whole, the cavernous padded main compartment keeps your clubs safe and protected.

An unnatural awesome creation of monstrous proportion, the OGIO Mutant Travel Bag is the alpha male of all golf travel bags. Known to swallow golf bags whole, the cavernous padded main compartment keeps your clubs safe and protected.

OPTION 3

COOLSHOT 20 GII

Nikon's COOLSHOT 20 compact golf laser rangefinder has been re-born for 2019 as the COOLSHOT 20 GII, with an increased ranging capability. With eight seconds of continuous measurement and First Target Priority, the new COOLSHOT 20 GII enables easy distance assessment to bunkers, fairway ends, dogleg corners, and ultimately the flagstick. As the smallest, most compact model in Nikon's rangefinder line, COOLSHOT 20 GII now packs an even more powerful punch. Your COOLSHOT 20 GII guides you from the first tee-box: Is the group ahead of you within your range? Did you choose the correct club? Answer the question with the COOLSHOT 20 GII.
