

INSTRUCTIONS FOR TRANSFER OF PUBLICLY TRADED SECURITIES

The Ottawa Hospital Foundation (the 'Foundation') greatly appreciates your support. Under current tax regulations, your donation of publicly traded securities is exempt from capital gains tax **only** when you transfer the securities *in-specie* or in-kind to a charity.

Electronic Transfer – Canadian or U.S. Securities

Donor

- Complete and sign Direction and Notification of Gift of Securities form(s) (one form for each publicly traded security).
- Give form to your broker (In the case of direct investing clients that do not have an assigned broker, and must communicate with a call centre, please download a copy of their form from their website, and complete and fax to their call centre) and
- Send a copy of the form to the Foundation ATTN: Rob Gottschalk (coordinates below)

Please note the Foundation will issue a tax receipt for income tax purposes. The value of the receipt will be determined by the Fair Market Value of the securities on the date the securities are received in the Foundation's brokerage account, based on the market closing price for the day or, if sold prior to the close of markets, the sale value before commissions. In accordance with our Board Policy securities will be sold as soon as possible.

Broker

- To initiate the electronic transfer of shares to the Foundation's custodian (RBC, Investor Services) forward the completed signed Direction and Notification of Gift of Securities form(s) (one form for each publicly traded security) as per below table.
